

30
Days

Access to C-DAC's
Quantum Simulator

Deep Dive Training on Quantum Computing and Communication

Quantum computers promise the potential of unprecedented power than the mightiest of the current computing systems. They could revolutionize industries and the way businesses are currently done, by solving some of the problems that the classical computers cannot achieve.

27 June
-
1 July

**Time to
Learn & Practise
Quantum Computing
is Now !**

VENUE:

C-DAC, Electronic City, Bangalore

Phone: 080-2852-3300

Email: quantum-outreach-blr@cdac.in

Website: <https://quantumindia.net>
<https://cdac.in>

LEARN FROM THE EXPERTS

Talks on Quantum Computer, Secure communication & applications

HANDS ON

Exclusive hands on, case studies and simulations

LAB WALKTHROUGHS

First hand experience with educative lab walkthroughs

CERTIFICATE

Certificate from C-DAC

FIELD VISIT

Immersive visits to Quantum computing facilities

Workshop Organized by

Centre for Development of Advanced Computing (C-DAC),
a premier R&D institute under the
Ministry of Electronics & Information Technology,
Govt. of India

Event Dates

27 June - 1 July

For registration, email to

Quantum-outreach-blr@cdac.in

Fee* Rs. 25,000/- (Inclusive all taxes)

Accommodation : On need basis, at actuals

Limited seats available. Registrations done on first come first serve basis.

Event Co-ordinator: Ms. Geethanjali

Mob. : 99805 76111, 91108 09441

*10% Discount applicable on a group of 3 or more.

*10% Discount applicable to students and research scholars
